COVINA ROTARY CLUB'S FIELD OF VALOR

Covina Rotary Club will hold our first Field of Valor during the week of November 4 through November 11, 2012 at Sierra Vista Middle School in Covina. Daily events honoring our brave soldiers are being planned.

Your participation as a Sponsor will help us to assist those local families of our Active Duty Military, Veterans, and the Ontario USO.

- Some families of our deployed military have difficulty making ends meet. Many of their children make sacrifices during the holidays. We would like to help them.
- Veterans are returning from war only to be faced with record unemployment and are finding it very difficult to find a job.
- The USO provides a place of solace and a feeling of home for our military and their families in transition to and from deployment. Our proceeds would help them continue the good work.

You can help by being an Event Sponsor.

**Please send your
contribution today.**
