**TODAY:** We have a program.... wait until you hear about it.

### **Next Week: Club Assembly**

Next week is a critical week for attendance. President Sue and the board will be presenting their ideas for this year. The board has worked hard on the organization, and planning sessions. Please attend – we need your input.

### **Last Week: Steven Ortiz**

Steven Ortiz, the Charter Oak High School student that traded a used cell phone he received for free – to a Porsche Boxster S. This entrepreneurial young man has a great life of business ahead of him. What a pleasure to see one of our youth be so forward thinking, and learn from the trials and tribulations along the way.

### **New Member Proposal:**

Jill Jacobs of Citrus Valley has been proposed as a Corporate Member. Jill visited us on Thursday, August 12. If you have any comments regarding Jill's proposal, please contact one of the board members.

### **Sanford King Induction**

President Sue, Sanford King, Jerry Smith and Harry Borak

Last week President Sue presided over the induction of Dr. Sanford King. Sanford is a periodontist, and was a member of the Simi Valley Rotary Club. Welcome back to Rotary Sanford.

### **Opportunity Abound... Ambassadorial Scholarship**

District 5300 participates in the Ambassadorial Scholarship Program. This is a Rotary Foundation program, thus, it is not available to Rotarians or our families. However, it is a wonderful opportunity for our young generation. This is how it works – If you know somebody whom has graduated from high school, completed at least two years of university or college classes / or in lieu of college have been employed for at least two years in a recognized vocation, are US citizens (because our club is in the US), you may have a candidate. The scholarship is a one year scholarship to help defray the costs of travel and education abroad for one year. The amount of the scholarship is capped at \$26,000! One thing to keep in mind, the candidate must be of good standing in

our community, and you must be proud to say the represent Covina Rotary Club, District 5200 and the United States. This is a wonderful scholarship. It would be nice for our club to identify someone to take advantage of this opportunity this year. Start thinking. For more information go to:

### **Corvette Raffle**

Calling all Rotarians... Calling all Rotarians...

October 1<sup>st</sup> is Covina Day at the LA County Fair. We have the opportunity to sell raffle tickets for the Pomona Club. The prize is a Corvette! We will gain free admission to the fair, and get parking passes. It only costs us time... but then we can enjoy the fair. We need four people to man the booth each of the following shifts.

9:45-2:30    2:00 – 6:30    and    6:00 – 10:30 or 11:00

We will have the ability to educate people about Rotary, pass out flyers about our club, and we keep 10% of the proceeds! Why not! Please communicate with President Sue if you can help.

### **Blast from the past....**
