November 11: Honoring & Supporting Our Veterans

Mt. San Antonio College is one of 13 Centers for Excellence in Veterans Programs of the 112 California Community Colleges. You'll hear from our student veterans about their transition from *service to student*, and from our staff and counselors about all of the programs and support available to Mt. SAC veterans and veterans in our community. Grace Hanson and Desiree Marquez of our veterans support team will explain our support programs, and Mt. SAC student veterans will describe their experiences of "service to student." Make sure you come to support our veterans!

History of Veterans Day

On the 11th hour of the 11th day of the 11th month of 1918, an armistice, or temporary cessation of hostilities, was declared between the Allied nations and Germany in the First World War, then known as "the Great War." Commemorated as Armistice Day beginning the following year, November 11th became a legal federal holiday in the United States in 1938. In the aftermath of World War II and the Korean War, Armistice Day became Veterans Day, a holiday dedicated to American veterans of all wars.

November 18, 2010: We'll be joined by Terry Tibor, a docent with the Aquarium of the Pacific, to take a journey of discovery through the world's largest ocean at the

Aquarium of the Pacific in Long Beach, California. The *Aquarium of the Pacific* is one of the largest aquariums in the United States. Its more than 500 species fill 19 major habitats and 32 focus exhibits and take visitors on a journey throughout the Pacific Ocean's three regions:

Southern California/Baja, the Tropical Pacific, and the Northern Pacific.

Board News and Announcements

1. District notified us that our matching grant program for rainwater tanks in Uganda was completed. This was a project begun in Wayne Woody's year, funded jointly with Interact. The \$4200 donated by us and Interact, when combined with matching grants,

ballooned to approximately \$16,000 being spent on the program.

2. The Christmas luncheon on December 16 will be moved to a different location due to the fact that SHCC does not have the large room available that day.
3. The Interact club has continued work on the Hospice gardens.
4. Watch for your Board Nominations ballot in the mail sometime in November.
5. We have accepted the resignation of Victor Vizcarra, with regrets, and have extended a 90 day leave of absence to Fred Wong.
6. Fred Madjar will be drafting an outline of information to be shared with potential speakers in order to avoid unwanted sales pitches.
7. Fun Run sponsorship letters have gone out, and Jon Teran is setting up an on-line registration option.
