**THIS WEEK: Dan Stover Memorial Music Competition**

Dan Stover was a high school teacher whom loved music. He belonged to the Alhambra Rotary Club. After he died, Past District Governor (PDG) Christine Montan worked tirelessly to get a music competition started in Dan Stover's name.

Today we will listen to seven contestants as they compete to move to the next level of the competition.

**LAST WEEK:** Ladd Seekins from the Colton Rotary Club and Jim Rector from the "Mighty" Riverside Sunrise Rotary Club were here to educate us on the "Rotary Friendship Exchange". It works very much like Rotary's Youth Exchange program, but it is designed for Rotarians and their families.

Thank you to all Rotarians who celebrated Rotary's 106th birthday with a generous online contribution to the Annual Programs Fund. The double Paul Harris Fellow recognition promotion has been an overwhelming success. According to preliminary reports, Rotarians have donated nearly \$2 million so far through the double Paul Harris Fellow recognition incentive.

Due to increased web traffic, some Rotarians may have been unable to access the website or experienced significant delays on 23 February. Rotary International apologizes for any inconvenience this may have caused. We assure you that all applicable donations either completed or attempted during that time will be honored and will receive double recognition points.

These contributions will help make a difference in the lives of the thousands of people who benefit every year from humanitarian projects funded through the Foundation.
