## Last Week:

It was an eventful meeting started off with an induction of our newest member, Tara Biddle. She is a local Covinian, born and raised. She is currently working for Covina Irrigating Company. She will tell us more about her life next month at one of the Craft Talks. Welcome, Tara.....

We also had a quick TLC presentation from a few 8-graders. Finally, a program by detective James Rochford regarding computer fraud and identity theft was quite informative. Just remember; always destroy your hard drive before you give your computer away.

Thanks to Tricia and Patricia for a wonderful night at the Covina Playhouse and Marci for the delicious salmon dish!

Ready! Get Set! Go....

Our Fun Run XV finally came and went with a resounding success. Thanks to Jon T. and his committee for their hard work putting this gigantic event together!
