This Week:

Program: RYLA

Rotary Youth Leadership Awards is Rotary's leadership training program for young people, typically reserved for high school juniors. RYLA emphasizes leadership, citizenship and personal growth. Well, today we welcome some of those RYLA participants and they in turn will tell us about their experiences at RYLA camp.

Next Week:

Diana Gelletien from V. A. Hospital at Loma Linda will join us with a nice program.

Last Week:

Mike Teilman, executive director of USO revealed what a great organization USO really is. His dedication to USO is admirable. Hats off to Mr. Teilman! A nonprofit, congressionally chartered, private organization, USO's sole mission is to lift the

spirits of America's troops and their families, and will continue to do so until every one comes home. Bless him and this great organization.

.....

Did you know that March is Literacy Month on the Rotary Calendar?

In 1985, Rotary declared basic literacy to be a precondition to the development of peace. Through this organizational emphasis, more than half the world's 33,000 Rotary clubs address the full range of literacy and mathematical challenges for primary, vocational and adult learners as well as teacher training.

Enjoy this Irish Joke:

Donncha and MacArthur are preparing to be blasted into space and have just left the mission briefing when one turns to the other and says, 'Mac, where are we goin?'

MacArthur replies, 'Well Donncha, the man in charge said we are on a mission to the sun.'

'OK,' says Donncha, he thinks for a while and then asks, 'Won't it be a bit hot, it being the sun and all?'

'Don't be stupid, Donncha,' says MacArthur, 'the man said we'd be going at night.'

Slinte!

Happy St. Patrick's Day!!!
