

February 2, 2012
Issue 26

Editor: Linda Logan

This Week: Tara Biddle “The first 75 Years of Covina”

Tara will share an entertaining journey through Covina’s first 75 years. This program was originally produced in 1976 by Vernon Jobe. It is a wonderful record of a bygone era when the mighty Orange was king and Southern California was America’s garden. The presentation includes the original narration by William “Bill” Temple who saw it all happen for the better part of 100 years.

Last Week: Our Surprise program

NEXT WEEK: Water Water Water

Many of us think we know where our water comes from... but do you? How is it delivered? What challenges must be overcome to ensure safety of the water you drink? Come and hear about it next week

The Rotary Foundation (TRF)

The Rotary Foundation provides a means of funding projects that any one club or district may not be economically capable of performing. Contributions to TRF are beneficial to the world of Rotary and the good we do for our fellow human beings.

For every \$1,000 given to TRF, a member earns a Paul Harris Fellow. Many of our members have multiple PHF through their generous contributions.

The opportunity to give to TRF’s Bequest Society also exists. Two of our members are Bequest Society members and 3 of our members are Benefactors.

Good job Covina Rotary!

Covina Rotary Fun Run

The Fun Run is coming – The Fun Run is coming! Yes, it will soon be here. Jon Teran and his committee is working hard to make this the best Fun Run yet. Below is a picture of the South Hills Interact Club and Jim Teal, they helped to count out the flyers this week –

The Roster

We have been floating different versions of the Club Roster. There is still some information missing. Please review your information. We will be going to print next week, and we would like everyone’s current and correct information to be included.

Happy Groundhog Day

On [Groundhog Day](#), a groundhog in the small town of [Punxsutawney](#) emerges in the morning to a throng of onlookers. If he spots his shadow and returns to his hole, it means winter will last six more weeks. If the [groundhog](#) does not see his shadow, an early spring is sure to come.

2012-2013 Rotary Year

In just a few months Lisa Brabo will take over the helm of our club. You will be contacted by the board to serve on at least one committee next year. Please decide what your passion is, and join a committee you would like to contribute to. With 50 or so members, we all need to do our part in continuing to serve our community and the world.

The 2012-13 Rotary Theme

“Peace Through Service” will be the new 2012-13 Rotary International Theme
