March 29, 2012 Issue #34

Editor: Dan Banh

This Week:

Induction of new members:

Tony Nevarez: Owner of 1 Tax Pro, Inc.

Buford (Bick) Harman III: Owner of Harmon Physical Therapy, Inc.

Please welcome them both to the Greatest Rotary Club in the World.

Program: Operation Homefront by Sandi Sawyer.

Operation Homefront is a non-profit organization which provides services to alleviate a military family's or individual's emergency financial burden, as well as counseling and/or recovery support.

Next Week:

Brian Akers has been rubbing elbows with some very important people and he managed to invite a very special guest. Let just say this guest is rather tall and presidential and would score well with Rotarians. It's a gala event that you do not want to miss.

Last Week:

We had a special visit from a group of local high school juniors. They were here to express their heartfelt thanks and recounted what an amazing experience they all had at RYLA.

The actual program was from Chief Karen Bell of San Bernardino County District Attorney. She revealed some startling statistics on sexual exploitation of children. Runaway minors are most vulnerable. If a runaway child is not being located within 72 hrs, chances are he/she has already been spotted by a human trafficker and you don't want to know what happens after that. CASE, as special task force was formed to deal with this tragedy. This is every family's nightmare so please take time to talk and listen to your kids.

Record breaking crowd and money raised!!!

Thank you everyone, esp. JT for making this such a successful event. We are the best!!!
