

April 5, 2012 Issue #35 Editor: Lisa Brabo

This Week

Robert Broski
Abraham Lincoln
Presenter

Robert Broski says that even though he was born and raised in Southern California, not Kentucky, he was destined to play Abe Lincoln.

Because of a desire in his heart, Robert decided to make a commitment to bring Abraham Lincoln "ALIVE" to whomever was interested in knowing more about this great president.

He has portrayed Mr. Lincoln in films, commercials, television, plays and print work. Robert has enlightened students and adults about President Lincoln through programs at schools, churches, book fairs, and presidential libraries. Women's groups and republican clubs have invited him to be their guest speaker. Other events include civil war reenactments, modeling for art classes and a bronze statue.
