## This Week

**WILLIAM C. HARFORD**

Inland Valley Humane Society & SPCA

Bill Harford began his animal welfare career as a State Humane Officer in Riverside County in 1974. He is now the President and CEO of Inland Valley Humane Society & SPCA, one of the largest full access nonprofit animal welfare organizations in Southern California. That organization cares for more than 16,000 animals each year. Bill is also a past president of La Verne Rotary Club where he has been a member for more than 25 years. He and his wife, Dr. Pamela Harford, live in Newport Beach – with their cat, of course.

## Last Week:

Tara Biddle was too busy to come to Rotary.

Son Caden was born Thurs., May 10<sup>th</sup> at 5:36 p.m.  
Congratulations Tara and Ian – Caden is amazing!

## Also Last Week:

**Keith Krzywiec**  
**W. Covina Fossil Paleontology**

Keith Krzywiec provided a lively, entertaining presentation about his excavations of our local area. For those of you who were not fortunate enough to be there and purchase some of his shark tooth fossils as graduation presents for your family members, see Dan Banh. They are neighbors and I am sure Dan would be happy to assist you. Too bad we didn't snag some of the bones for this week's speaker.
