## THIS WEEK

Speakers: Veronica Van Anrooy  
Dominique McCafferty  
Lilly Jimenez  
Subject: Covina Public Library  
Chair: Dawn Cychner

Our three speakers will regale us with the details of their exciting programs, including the children's library and the literacy program. Much reading is done on tablets, Ipods and Nooks, but nothing compares to holding a real hardcover book in your hands, as you fall gently to sleep.

## LAST WEEK

How about taking the train to work? You could always walk or ride your bike to the store. If you have a long enough extension cord, try one of the new electric jobs. In the meantime don't tear up you Shell credit card.

## NEXT WEEK

Charles Gustafson is a Marriage and Family Therapist. He will discuss how we might enhance the level of harmony and comfort in our relationships.

**Andy & Tony**

Tony Nevarez is a relatively new member who has become very interested in our Covina Cares projects. So much so that he personally began fund raising for the KINGS Project (kids in need growing strong). Thanks, Tony.

## **FIELD OF VALOR**

This Covina Rotary project is rapidly moving forward. The yard signs are beautiful and ready to be placed. So are the sponsor brochures. Substantial donations have already been made and more are on the way. You will be thrilled and proud November 11 when 2000 flags will be on display at Sierra Vista Middle School on Grand and Puente. Speakers and programs will be scheduled that week for all to enjoy. Community agencies including the Gold Ribbon, Veterans of Foreign Wars, and USO will be involved. The purpose of all these activities is to honor and support in a practical way our current and past veterans who have given so much that we may be free.

**WOW!!**
