Covina Rotary Club - District 5300 - Chartered March 8, 1923

November 15, 2012 Issue #18 Editor: Dan Banh

This Week:

Program: *Field of Valor*

It all started with a vision of one ambitious and passionate Rotarian - and it turned into a historical event that got the surrounding communities endlessly talking. Her husband thought she was out of her mind when she first brought it up. That did not dissuade her because she never listened to him anyway. She was determined to see this project through and the good thing she did. She has made all of us proud to be members of the World's Greatest Rotary Club.

Thank you *Linda* for your devotion (and for not listening to Bob).

A big shout out to Wayne for a wonderful job at MCing. He proved that grown men do cry – but only on rare occasions such as this one. As for Lena, wow, she did an outstanding job heading the volunteer committee; not to mention that fact she along with Hugh had made the FOV as their 2nd home. Lena, way to crack that whip! And thanks to Jim for keeping our beautiful flags safe and Andy for your deep pockets – fight on. Of course, the phenomenal project would not have been a big success without members of the club led by our fearless leader Lisa, and volunteers from other service clubs and the community.

Last Week:

How appropriate it was to have Jimmy Weldon, the true patriot, as our speaker to honor the Field of Valor. He was very entertaining and inspiring.
