

December 13, 2012 Issue #21 Editor: Linda Logan

This Week: Richard Iniguez of Veolia Environmental Services will educate us on the recycling services offered by Veolia ES in Azusa.

Richard Iniguez has been the Regional Sales manager for Veolia ES Technical Solutions LLC since January 2,000. Prior to this, he has served in various capacities in environmental and chemical sales, and in the waste management and recycling business.

He has served on the Board of directors for San Gabriel Mountains Regional Conservancy, the Board of Directors of the San Gabriel Valley Community Awareness and Emergency Response group and several other community and industry-related associations and committees over the years.

He holds a B.S. in Biochemistry from U.C. Riverside, enjoys golf and family time at home.

Last Week:

Program: Wall Street vs. Main Street – Jon Teran

Jon and Casey teamed up to give us an honest opinion of Wall Street from an analyst's view verses the real world view. Why do we have "bubbles"? and why do we get "buy" ratings when we should sell or hold? It was a very interesting presentation. As the song goes "You got to know when to hold 'um, know when to fold 'um, know when to walk away, know when to run..."

Next Week:

You better watch out! Our annual Christmas luncheon is upon us. Tricia has some fun things on the menu. Please remember to RSVP if you have not done so yet.

Covina Cares update:

Each year Covina Rotary in concert with the community identifies families in need during the holidays. This year, our list consists of just over 200 families.

The collection boxes have been placed in the community and the Chamber of Commerce is sending out an email blast to the members to help in all areas.

On Monday, December 17, we begin to pick up the boxes. There is a sign up sheet going around... be sure your name is on it in some capacity.

Field of Valor update:

The Field of Valor committee is working with the U.S.O. and several community based organizations to identify our troops in need. We will keep you posted on our progress.

Fun Run update:

Covina Rotary sponsors a 1 mile and 5K run each year dubbed the Fun Run. Proceeds benefit mini-grants for our teachers and some of our other charitable activities.

Jon Teran has sent out sponsorship request letters. It is our hope that we get more sponsorships and more adult runners in 2013. The committee goal is to raise \$15,000.

If you can help, please contact Jon Teran.

Roster Update:

A new roster is in the works. If you have changes to your information, please email Linda Logan at llogan57@aol.com. We hope to have the new roster printed by the end of January.

Vote For Rotary – United Airlines Miles:

United Airlines in giving away 10 million miles to its charity miles partners as part of a year-end gift. Charities receive a portion of the miles based on the percentage of the overall vote they receive through December 25. Your vote could help Rotary win more miles.

Charity miles provide transportation for Rotary International's Gift of Life surgical teams. Last year, these teams traveled to Haiti and El Salvador, where volunteer doctors and nurses from the U.S. performed life saving heart surgery on many children and provided important training for local doctors. Charity Miles also help RI transport Iraqi children when birth defects to U.S. hospitals for treatments they cannot receive at home.

Go to www.Rotary.org On the home page, scroll through the pictures, find the 10 million miles, and click on "vote for Rotary"

As of this writing, Rotary was in 2nd place. Move us into first... we were 10,000 votes behind.

Did you know:

This is Interact Week. Rotarians are celebrating 50 years of Interact. Just think of all the Rotarians we could have if we remained in contact with these students throughout their college and careers. This is what makes the transition into Rotaract important for our students, and our clubs.

Note: Interact is a high school club sponsored by Rotary. Interact mirrors Rotary's missions and projects, and create their own projects.

Rotaract are college clubs sponsored by Rotary. Rotaract clubs also mirror Rotary's missions and projects.
