

Let the Games Begin:

OUR NEWEST

COVINA ROTARY PRESIDENT

This year is sure to be a lot of fun and games with a President like Tricia Vagt. She plans to continue the Fun Run legacy but has said NO to pole vaulting during the Field of Valor. All the same, she knows how to create a great deal of merriment --- especially when she can find a way to include games in whatever she is doing.

Throughout each day over the next year, her attention will remain focused upon her duties as the 90th President of Covina Rotary. During the remaining twelve minutes of each day, Tricia will undoubtedly turn her attention toward her successful career as the Senior Escrow Officer of Covina Escrow and her role as the current President of the California Escrow Association. As she has 27 years of experience in her chosen field and a great ability to multi-task, that will not be a problem for this energetic, adventurous woman.

Over the years, Tricia has also served on the board of the Covina Chamber of Commerce. She loves to participate in the Walk of Hope to help raise money for the City of Hope, prepare tantalizing gourmet dinners, and get away to her second home in the desert. As you are probably already aware, Tricia knows how to enjoy life so be prepared to have fun while she is at the helm of Covina Rotary.

Here is the first game of the season:

At the RI Convention in Lisbon, what did Tricia & Patricia do for fun and what did they learn? Ask them...

What are the names of Tricia's two dogs and who does she call when she needs an electrician?

That would be Buddy Boy, Brodie and Don Brown.

What is Tricia's astrological sign and how many times was she asked that question?

Leo & countless times

If Tricia could live anywhere other than the center of the Universe [Covina], where would she live? *Hmmmmmm*

What did Tricia plan for our next meeting?

A visit from District Governor Miles Petroff. It is part of a tradition but neither President Tricia nor DG Miles plan to let it turn into a snooze fest. Rumor has it that someone will supply cookies to give us a sugar rush.
