

THIS WEEK:

*The True Story of
Everett Ramos*

November of 2011, Everett Ramos received the necessary permits to begin construction on a new restaurant, entertainment & dining experience (aka *Red*) for Covina. After weathering a number of challenges, Red is ready to open its doors any day now. Everett joins us to share his story.

Covina Rotary Cares:

Despite the fact that it is July, Tony Nevarez is already hosting planning meetings for this year's Covina Cares events. The planning committee's goal is to make the Covina Rotary Cares program bigger, better and more effective than ever. Why not? We are the Greatest Rotary Club in the world.

Our Newest Fundraiser:

President Tricia has come up with an innovative idea for our newest fundraiser. She is planning a *series* of mini auctions that will be held at our meetings. Members will always have advance notice and anyone can bid on the items ahead of time. Our first mini auction will include Rotary jewelry and key chains. In the future, it could be theater tickets, time share weekends, etc. So, if you have something you would like to "re-gift" or donate, call Tricia to place your priceless items on the Rotary auction block.

Membership Chair Patricia Harvey has set a goal of 20 new members this year. With Kim Flowers newly inducted by DG Miles Petroff, we only need 19 more new members!

Mickey Kissell, Kitty Wicks, Terry Gleason and Eddie Kissell

Covina Rotary thanks the Kissell family for having lunch with us last week. While there, they presented a generous donation of \$1,200 for the 2014 Covina Rotary --Ed Kissell Memorial Fun Run. Their father, Ed Kissell, began the Fun Run 17 years ago and he promoted it throughout the years.

Upcoming opportunities:

08/01 Andrew Hall of the Sanitation Department's Wastewater Management Division will be speaking to our club about their major projects.

08/05 Covina Concert in the Park: \$10/pp dinner The Answer will be playing Classic Rock and Roll..... Reserve your meals through Irene Bourdon.
