Covina Rotary Club - District 5300 - Chartered March 8, 1923

October 10, 2013 Issue #13 Editor: S.J. Harrison

This Week: Mending Kids International & Marchelle L. Sellers

Marchelle Sellers is the Executive Director of MKL. Since 2006, MKL has provided surgeries to enhance and save the lives of more than 1050 kids around the globe.

Through the years, Marchelle has been honored for her work with MKL, as well as the

founding of the Pasadena Ronald McDonald House. In 2007, she was named Most Inspirational Executive Director of the Year. Marchelle currently has the honor of serving as the President of the South Pasadena Rotary Club.

Dear Lisa,

It is time for Covina Rotary to say "Goodbye" and thank you for all you have done for our club over the past five years. You were a wonderful Club President and a friend to each of us.

This letter is also written to close our discussion about The Little People. As promised, I took time and effort during my recent trip to Ireland to explore your claims that you are too tall to be a Leprechaun. I now agree that you are a smidgen taller than the countless Leprechauns I encountered on my trip, with the exception of three members of their national basketball team. Those three individuals tower over you by almost two inches. However, I noticed the twinkle in your eyes is very similar to theirs. Therefore, I will again ask: How is it that you were able to find those pots of gold for the YWCA when they thought they might have to close their doors and how do you enchant everyone you meet?

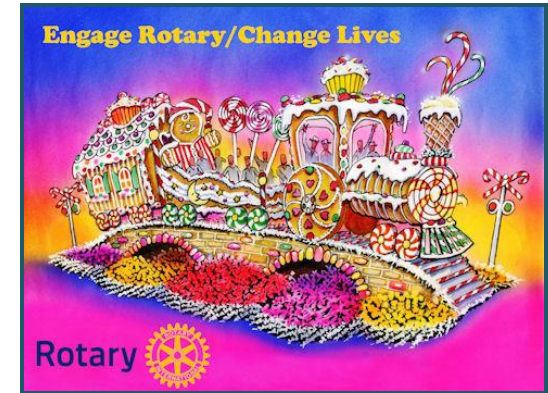

Good luck with your new job in the beautifully green hills of Santa Barbara. We know that you will continue to live each day as if it were your last.

Slainte (Cheers to your health),

Shirley
