

This Week:

Physical Therapy

Bick Harmon, who has an extensive education including a BA degree in physical education, a Graduate degree in physical therapy, a MS degree in athletic administration, and a Doctorate degree in

physical therapy, started Harmon Physical Therapy, Inc. in 1973. Bick has a background in sports medicine working as the Head Athletic Trainer at San Diego State University and Mt. San Antonio College as well as the Team Physical Therapist and Consultant for the Anaheim Angels. Bick strives to provide the best treatment for his patients' physical therapy needs.

Last Week:

Catherine Nichols from CVUSD educated us on the upcoming changes of Common Core. Common Core is a set of standards in mathematics and English language that is taught throughout the United States. These goals outline what a student should know and be able to do at the end of each grade.

Next Week:

Paul South, the Owner, Executive Chef, and Brewing Purveyor of Clayton Brewing Company will be joining us next week. We will be learning the history, brewing process, business models, craft beer applications and styles of this local brewery. Word is there will also be some tasting of these fine craft brews.

6 p.m. June 16th: Concert in Covina Park – Film at 11

Pictures are worth a 1,000 words but words and literacy enrich our world a thousand-fold. Support literacy

through Rotary International, as well as Covina Rotary!

Rotary Anniversaries:

- Charlie Kraal – joined June 1, 1970
- Jim Speer – joined June 1, 1951

Member Birthdays:

- Duane Keene – June 5th
- Jim Speer – June 9th

For those of us who missed the Rotary Convention down under, you can register now for the 2015 Rotary International Convention in Sao Paulo, Brazil! www.riconvention.org

Hello toucans
and capybaras!

Goodbye kangaroos
and koalas...
