Covina Rotary Club - District 5300 - Chartered March 8, 1923

October 16, 2014 Issue #15 Editor: Shirley U.R. Joykin

## THIS WEEK:

**PAVEL BINDA, MD**

### HISTORY OF HEALTH CARE

To understand the Health Care Act, Dr. Pavel Binda will help us step back and consider how we got here from a historical perspective.

Dr. Binda, is the Chief Medical Officer for Citrus Valley Health Partners. He is a graduate of Harvard

Medical School, University of Oxford, and the Wharton School. Talking about the health care landscape in America, up to and perhaps beyond the Affordable Care Act, may not be a comical topic but Dr. Binda promises to be both informative and entertaining. Just remember to breathe whenever he goes through some of the more frightening portions of health care reform.

## NEXT WEEK:

Our very own Covina Rotarian, Joseph Zanetta, J.D. presents **A RETURN TO CIVILITY.**

## LAST WEEK: THUNDERFEST 2014, ROTARY STYLE

Excellent parking lot attendants: Harry Borak & Alex Garcia, Tom & Alice Patronite, and Don Brown with Al Vazquez in front of the Covina Historical Museum our Club painted in 2010.

Sue Wysocki and Don Brown at Water Station with 1,999 bottles to go for goal of 2k!

Thanks Tricia for putting together this fundraiser. ☺☺☺

## VOCATIONAL SERVICE 101:

Brought to you by our Past President and Vocational Service Chair, Tricia Vagt

What first brought you to Rotary? In all likelihood, someone thought you might make a good member. Based upon your business or profession, they thought, "Hey, a new classification and they're a good person!"

Here's what you should know: Each Rotary Club's membership represents a cross-section of its community's business and professional population with as wide a cross-section of classifications as possible. Clubs try to reflect that diversity and promote integrity through ethical behavior. Basically, our 4-Way Test and the Rotary Code of Conduct are expected to be a central part of each Rotarian's daily road map.

The 4-Way test started in 1932 when Herbert Taylor of the Chicago Rotary Club was given the task of saving a company from bankruptcy. He quickly developed a 4-Way Test as an ethical guide for all business matters. The company's survival was credited to that simple but brilliant philosophy and Rotary International adopted Herbert's 4-Way Test in 1934 as a guiding light for Rotarians worldwide. Twenty years later, the Rotary Club in Chicago made Herbert Taylor their Club President.
