Covina Rotary Club - District 5300 - Chartered March 8, 1923

Issue # 31

March 26, 2015

Editor: Jim Teal

THIS WEEK

Speaker: Sharon Hall

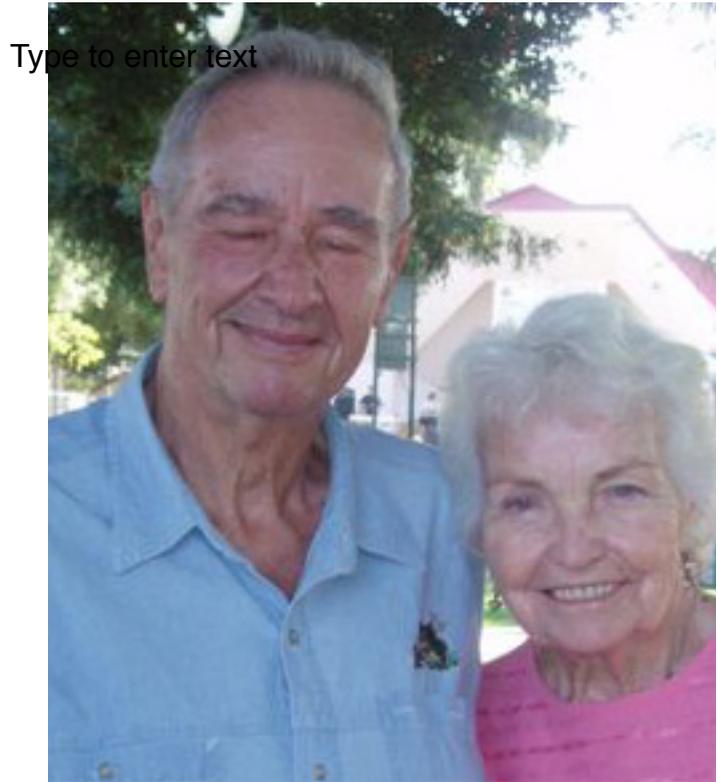

Topic: American Cancer Society

Chair: Harry Borak

Single mother of 2, Ontario resident (West Covina before that), BA in Bus. Ad from Redlands, Management Certificate USC, MA in Bus Ad. from Univ. of Phoenix and working on a .doctorate. Her current position is working as a Community Manager, Relay for Life. She cultivates and develops relationships within various communities with a goal of growing Relay for Life fundraising events year to year.

LAST WEEK

We are very fortunate to have Walt Allen serve our community as Councilman. The Rio Hondo police academy, under his guidance has been recertified and the current class of cadets is scheduled to graduate 19 people out of an original class of 42. The 27 week course is difficult, comprehensive, and demanding. It is amazing that our young people will willingly choose to pursue a career in law enforcement considering the mess our politicians are making of it across the nation. The saving grace is the fact we have stellar people like Walt as teachers , administrators and leaders who know how to do it and lead by example

Fun Run Founders - Ed and Laverne Kissell
(Thanks also to son Bill Kissell)

* * * *

Speaking of the Kissels, their son Eddie's daughter Jessica has been invited to attend the Olympic training camp for women's pentathlon in Colorado. This event includes competition in swimming, shooting, equestrian jumping, fencing and running. Whew!!

* * * *

We have enough youth. How about a fountain of smart?

2015 ED KISSELL FUN RUN

Thanks to great leadership, a bunch of generous volunteers and our trusty Covina Rotarians, the runners young and old did themselves proud at Saturday's event. The weather was cool and overcast, the pancakes and sausages were hot and plentiful, the overhead drone ever watchful. The South Hills High School campus was well prepared for us and we are grateful. The new edition of the Fun Run tee shirts are very classy. The sponsors stepped forward in their usual grand style. Our teacher mini-grant project will benefit immensely from the project, and our students will prosper. We can be proud of our Covina Rotary club. Well done!!

NEXT WEEK

Time to critique the Fun Run - what worked, what didn't.
