INVITE YOUR FRIENDS TO ATTEND

FROM THE BOARDROOM

Your Board of Directors met last week at President Jon’s office. Many items were on our agenda including Budget, Membership, and projects.

On Membership: Our membership committee is working hard to identify potential new members. However – membership is every Rotarian’s duty. A strong, effective membership is key to strong projects in our community and world. Soon, we will be sending out committee surveys for the 2015-16 Rotary year. Key leaders for the committees have been identified – you just need to fill out what activities suit you best... then participate in making your committee shine.

Jim Speer Bench Update –The City has given us an estimate of \$2,858.00 for two benches in honor of Jim to be placed at Cougar Park next to the new District Field on Puente St. We have okay’d the expenditure – and are awaiting the artwork for approval.

Field of Valor – Last week, Rich Jett and Linda Logan met with our contact at EDD (ElMonthe Office) in charge of Disabled Veteran placement. It was a good meet and greet. We also learned more about the programs offered to our Veterans. Interestingly enough, we have received many applications for help through the EDD office. They learned that Field of Valor money was available through a Veteran that had reached out to them for help. We now have a West Covina EDD contact! The program is working... and growing. Brad manning (Kiwanians) has stepped up to help coordinate daytime voluteers this year. Steve Mathis is taking the Security Detail volunteers.
