

**THIS WEEK: PATRICIA SERIO**

Covina Rotarian Pat Serio has led an interesting life. Through her love of travel, she has enjoyed a variety of adventures around the world.

Closer to home, Pat has found a calling in Covenant House – a nonprofit organization that addresses the needs of homeless children. The story about how she was drawn to that charity and became a Board Member

will be told this week when Pat presents her craft talk.

According to their website, Covenant House California is *dedicated to serving all God’s children with absolute respect and unconditional love...to help suffering homeless kids...and to protect and safeguard all children in need.*

Their five principles include *immediacy* in meeting homeless children’s basic human needs, *sanctuary*, teaching the value of respectful *communication* within relationships, stability and *structure*, as well as empowerment to make smart life *choices*.

**Last Week: Grady Reed: Utilizing Waves of Water Filters to bring clean drinking water to the Citonga people in Zambia’s Gwembe Valley. Pictures say a thousand words:**
