In this meet and greet with DG Randy Pote, you will have an opportunity to learn more about District 5300 and Randy will do his best to inspire all of us.

LAST WEEK:

April Kelcy highlighted the importance of being prepared for “the big one”. Needless to say, we were shaken by the reality of what we might be facing. Her website? Earthquakesolutions.com

After Tony revealed that he has already done fundraising for next year, he handed Treasurer Rich Jett \$7,000.00 for next year’s event. As you can see, President Andy was all smiles.

OUR THIRD ANNUAL CHILI COOK OFF

May I say that pictures are worth a thousand words. There was music, fellowship, and even a mother-son moment when Jennifer Root refused to allow Andy to lure her son Turner over to the refreshment area with Tanner, Dan, Steve and Harry. By that point in the evening, Mickey was relaxing with her sister and friends. Even though Duane Keene missed the event, he sends his regards to everyone.
