

**THIS WEEK :** RICHARD SHEEHAN, ED.D

Covina Valley Unified School District announced that Dr. Richard Sheehan accepted a 3-year contract this summer to serve as their new superintendent. For Richard, it was like coming home. He is a graduate of South Hills High and taught at Covina High before he became the principal of Northview. Over the past few years, he has served as the superintendent for Glendale USD. However, his children

have been educated in Covina and his youngest son is currently attend South Hills. Perhaps we can convince him to eat lunch with us every Thursday!

**LAST WEEK :** CHAPLAIN ALBERT AGUILAR –

For those who missed Chaplain Aguilar’s presentation, Dawn Cychner can tell you the reasons Covina Rotarians are making donations to the U.S. Volunteer Services Command Chaplaincy Corps by way of: USV-JSC CHAPLAINS CORPS. c/o Chaplain (Capt) Barbara McCaffrey, Comptroller, 15085 Snapdragon Dr., Fontana, CA 92336.

**EARLIER THIS WEEK :**

**Our Sriracha Tour at Huy Fong Foods:**

Owner David Tran greets Shirley and John as they arrive for the tour on 09/16.

Al & Yraida Vazquez were shrunk down to inspect the inside of the bottles.

Sue & Terry Wysocki, Don Brown, and Sanford King don disguises in hopes of making away with samples.

Fortunately, the tour guide liked us and she provided us with commemorative bottles of their Sriracha Chili Sauce. After hearing David Tran’s life story, Al Vasquez summed it up by saying: *The harder I work, the luckier I become.*

**Thanks Tricia** for arranging it! May your knee heal fast.

**LATER THIS WEEK AND NEXT :**

**September 19, 8 a.m. –** Rotary Basics. Join Rotarians from District 5300 to learn more about Rotary in 2015.

**September 24, noon -** Craft talks by Tony Nevarez and Wayne Partee, if neither of them is too long winded.

**A PREQUEL TO LAST WEEK’S FOOTNOTES:**

This editor was remiss in not mentioning that Denise Akers (Brian’s love) also overcame issues with a broken foot this year. I also just learned that Nancy King (Stanford’s lovely wife) is still suffering from an injured foot. One has to wonder if this is all a coincidence. Perhaps it is something sinister and warrants the skills of Sherlock Holmes to explain why so many Rotarian wives are injuring their feet.

We are vaccinating one child at a time and marking their finger to count down the remaining days of polio. So let’s
