Where's President Andy been now?

It was neither Palm Springs nor Pismo Beach.....  
Presiden Andy was in Saudi Arabia earlier this week. After this photo was taken, he was off to Qatar and hopefully on his way back to the good life in Covina. In looking at the picture, you just have to ask yourself: Where is his Rotary pin and why didn't he have the person reflected in his sunglasses to take the photograph for him?

Meals on Wheels:

Covina Rotary delivers Meals on Wheels each Tuesday at lunchtime and Casey Morris of Capstone Pacific has been scheduling our routes for the last few years. In January, Dan Banh, Mickey Kissell, Gordon Browing and Steve Mathis answered her calls for volunteers. Think about adding your name next time she sends her list around.
