

THIS WEEK :

Chris Johnson
CEO of
Woodcraft
Rangers

Prior to becoming the CEO of Woodcraft Rangers, Chris served in leadership positions for a variety of non-profits including the American Red Cross as their regional Executive Director and the National Kidney Foundation as Regional President. However, he began his career path as a middle school teacher and during those years that he fell in love with Woodcraft Rangers as an organization.

Woodcraft Rangers provides quality after-school and summer camp programs that emphasize academic achievement. Their innovative approach to infusing STEM (Science, Technology, Engineering and Mathematics) in all of their curriculum and club activities (music, fine arts, dance, fitness and sports) sets them apart from their competition and the academic success shown by their 1.1 million students shows the positive impact Woodcraft Rangers is making. Last week: South Hills High School hosted an event called "Light Up the Night" on Wed. Feb. 17 from 5:30-8:00PM. Hundreds of students from the district attended this event and Rotarian **Mickey Kissell** was there to promote Fun Run. She reports that the quad was beautifully decorated with lights but the pouring rain forced everyone inside. Nonetheless, there were lots of people having lots of fun.

This week: You can get involved with Fun Run by coming to Jon Teran's meeting this Friday (02/26), 8:30 a.m. at:
