

June 30, 2016 Issue #44 Editor: Dan Banh

This Week:

It's all about "Back to School Extravaganza" by Tony Nevarez. This year he hopes to help out more kids and breaks the record once again. Thumbs up for Tony!

It's also Andy's last meeting even though we've already kicked him out. So let send him off in style - as in USC style! You wouldn't want to miss this. Don't forget to wear something from your favorite sports team or alma mater like we did at Andy's 1st meeting.

Next Week:

It's the coronation of President Patricia Harvey!!!!

Last Week:

Good food, **good** music, **good** singing, **good** dancing and a **good** time all around by **good** rotarians at the annual Kick-Out! A big shout-out to the Harveys for hosting this awesome event. Congrats to Steve for being Jim Speers award recipient, Rich for being Rotarian of the Year, Sanford and Beth for being the latest Paul Harris recipients, and last but not least Patricia and her new board. It's going to be a **good** year !!!
