

September 1, 2016 Issue # 9 Editor: Linda Logan

This Week Club Assembly

Since last Spring, your Board of Directors has been working hard to plan a fun, productive, and meaningful year.

Club, Community, International, Vocational and Youth Services are the avenues we take to approach our goals.

Club Service: (Gordon Cooper, Director)

This includes the house committee. These are the unseen group. They arrive early, make sure the room is set up, sign in sheets are up to date, and clean up our supplies at the end of the meeting.

Club Service also includes Flag Salute, prayer, song, Wheel, Photography, Membership, Rotary Information, Awards, Facebook/Press Releases, Fellowship, socials, and the website. Quite an impressive amount of work to be done just to keep things going on an even keel.

Community Service: (Chuck Henderson, Director)

This is our community outreach, project committee(s). This includes FunRun, Field of Valor, Covina Cares KINGS (Kids In Need of Growing Strong), Senior(s), Floyd Myrick Awards, Covina Rotary/Osher Grant, Minigrants, and Meals on Wheels.

Vocational Service: (Dario Castellanos, Director)

In years past, we went to the high schools and held mock job interviews. The4 Way Test Contest, and the Ethics Essay Contest fall under Vocational Service.

Youth Services: (Rich Jett, Director)

This committee has a lot of ground work. It includes Dan Stover Music Contest, TLC (Teen Leadership Camp), RYLA (Rotary Youth Leadership Awards), Interact Clubs, and Floyd Myrick Awards

International Service: (Johnny Brittian, Director)

This year we are planning an international project in Mexico. Come and hear about this.

The Rotary Foundation (TRF), and Paul Harris falls under International’s purview.

So now you will know.....

Membership:

Brian Johnson, the facilities coordinator for CVUSD has been proposed for membership in our club. You may remember Brian from the FunRun. He has been very involved for the past few years few years. Brian also coached high school football, and fundraised for PTA and other organizations. Brian was proposed by Dario Castellanos.

If you have any comments about Brian’s proposal, please contact one of your board of directors.

Last Week: Rafael Valles the Community Outreach & Resource Planning Specialist (CORPS) for the United States Department of Labor – Wage and Hour Division, West Covina District Office. Rafael enlightened us on the differences between Federal and State laws for wages, hours, and how an employer pays the employee. An interesting program.

Next Week: District Governor Luciano “Lu” De Sylva

Lu will meet with the board of directors early to discuss the budget, finances, membership, and get a feel for our overall club organization.

Then we will hear what he has in store for this Rotary year. Please mark your calendars to be here.

Field of Valor - This week, through the hard work of our club and community, we will move another Veteran from the canyon. This Veteran has lived in the canyon for 13 years. Thank you Covina Rotary.
