MAGGIE and TIM

Maggie Salazar was born in Guadalajara, Jalisco, Mexico in 1979 and she immigrated to the U.S. in 1985. During her school years she played sports and musical instruments. As an adult, she has been in financial services for 20 years and she's now a Life Insurance agent at New York Life. She has two toddler girls Valentina 3 and Alessandra 2. When she is not busy running her business, she enjoys spending time with her babies, hiking, trying new things and learning. Her goals are to grow her business, get fit and raise two wonderful children.

Tim Schneider was born and raised in central Ohio. He relocated from Columbus to Southern California in 1982 and worked for Long Beach Memorial in the Information Technology from May of 1982 until April 2016. He is currently enjoying the challenges and opportunities of working with his husband, Kevin, at Rader Realty, Inc. His passions are cooking, Information technology, new tech gadgets, travel, and, you guessed it, real estate.
