

**THIS WEEK: RIDDLE OF THE WEEK .....**

What happens when you combine Exec. Director **Craig Cerro**

with clothes & food to give to the needy?

**ANSWER: SHEPHARD'S PANTRY**

Their mission is to help families who are just barely able to make ends meet. This includes working families who are sometimes referred to as the working poor. Shephard's Panty provides food and clothing to such families, so that they can use their limited financial resources for rent, utilities and other necessities. Operating out of a 5,000 sq. ft. walk-in facility on Arrow Highway in Glendora, the agency also provides resource counseling assistance, as well as a reading tutoring program. It all happens at:

**ENDLESS SMILES HELPING FAMILIES BEYOND BORDERS (HFBB):**

Think how wonderful it was on a COLD night to snuggle up in a warm blanket when you were a kid. Now imagine that you did not have one. Please plan to donate one or more new or used blankets this month to HFBB for our next visit to our adopted families in Tijuana. It will most definitely put a smile on the face of a child.
